

## JAYANA MITCHELL

### **Treasurer & Board Member, The House of Darla**

Jayana Mitchell serves as Treasurer of the Board for The House of Darla, where she oversees financial strategy, reporting, and accountability to support the organization's mission and long-term sustainability. With a Bachelor of Science in International Business (Accounting concentration) and a minor in History, Jayana brings a deep understanding of financial systems, compliance, and nonprofit governance.

She has extensive experience in accounting management, financial reporting, audits, and fixed asset tracking, and has worked with both for-profit and nonprofit entities. Jayana has supervised teams, led year-end audits, managed multi-million dollar budgets, and implemented systems to improve efficiency and compliance.

As Treasurer, Jayana ensures the fiscal health of The HOD through thoughtful budgeting, grant alignment, and financial planning. She plays a key role in preparing financial documentation for grants, funders, and board reporting, and helps guide conversations around sustainability and investment in youth programs.

Jayana's professional integrity and analytical mindset are matched by her belief in the transformative power of education and access. She is passionate about supporting youth and believes that sound financial stewardship is critical to creating equitable, impactful programming.
